WORK EXPERIENCE

Front End Developer Internship

NetLaw

📅 March 2024 - June 2024   📍 Louisville, KY

- Developed and maintained web pages using HTML, CSS, and JavaScript.
- Worked with the development team to implement new features and fix bugs.
- Participated in code reviews and team meetings to improve code quality and project outcomes.

Customer Relations Representative

NetLaw

📅 August 2022 - Present   📍 Louisville, KY

- Provide customer support and technical assistance, helping users navigate and resolve issues with on-line estate planning tools, ensuring a seamless user experience.
- Contribute to optimizing workflows and support documentation, enhancing efficiency and accessibility of resources for both team members and clients.
- Use graphic design tools to create marketing materials to reach thousands of users a month.

PROJECTS

Simple Quiz

GitHub Repository: github.com/cstirneman/quiz-app

- Developed an interactive quiz application allowing users to create, edit, and take quizzes.
- Technologies used: **Node.js, Express, MySQL, HTML, CSS,** and **JavaScript.**
- Key features: **Quiz creation** and **management interface** with review and edit options, and a **quiz overview page** to save and display user-created quizzes.

Service Application

GitHub Repository: github.com/cstirneman/customer-service-app

- Developed an app to streamline customer service workflows, with pre-made responses, marketing flyers, guides, and videos.
- Technologies used: **HTML, CSS,** and **JavaScript.**
- Key features: **Smooth scrolling**, **animated transitions**, and a **contact form**.
